Lesson Request Details

Please choose the type of lesson you are seeking by circling or highlighting the option.

If you do not see the option available for what you seek, please leave us details in the *Special Request* section.

Method:

- **Live online session** – School must provide link for access to their approved online classroom.
- **Previously recorded video** – After choosing a specific topic and identifying the age group, we will provide you a video you can use through our YouTube channel. If we have not yet created a video on the topic requested (for the age group requested), we will create one. Please keep in mind - creating a new video may require a delay in its availability to you, depending on the topic.

Topic:

- **Firefighter Gear**
- **Home Escape Planning and Smoke Alarms**
- **Fire Station Tour**
- **Fire Truck Tour**
- **Carbon Monoxide**
- **Cooking Safety**
- **Career Information**
- **Fire Extinguishers (high school students and adults only)**

Special Request:

Please provide details below of the request for virtual content, if it is not provided in our options.
